

Name: _____

Date: _____

Pumpkin Life Cycle

A pumpkin starts as a tiny seed. Name each picture, then number them in order.

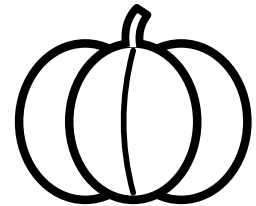

1 Say it and number it Write 1 to 6 in the circles, from first to last.

flower

seeds

ripe pumpkin

vine

little pumpkin

sprout

2 Talk about it

- What does a seed need to grow? (Sun, water and soil!)
- What comes right before the pumpkin? (A flower!)
- What is inside a pumpkin? (Seeds!)

Grow, pumpkin, grow!
